<p><b>Title I Schoolwide Program:</b> Program initiatives are directed toward schoolwide improvement rather than a targeted group of students. Eligibility for a schoolwide program requires a minimum of 40% of the children in a Title I school receiving free or reduced priced lunch.</p> <p><b>Title I Targeted Assistance Program:</b> The program of services is available only for children identified as failing, or most at risk of failing, to meet the State's academic achievement standards. Eligibility for a targeted assistance program requires a minimum of 35% of the children in a school receiving free or reduced priced lunch. Title I schools that are eligible for a schoolwide program (with a minimum of 40%) may choose not to operate a schoolwide program and instead operate a targeted assistance program.</p>
