

LEGISLATIVE REPORT

SUBJECT: Requesting the Department of Education and the Hawaii Public School Food Service to develop nutritionally-sound public school menu plans that include vegetarian and vegan meals.

REFERENCE: S.C.R. No. 84, SD 1 (2008)

ACTION REQUESTED: The Department of Education and the Hawaii public school food service are requested to consider nutritionally-sound public school menu plans that give students the option of vegetarian and vegan public school meals; and conduct training and workshops for cafeteria managers and workers to increase awareness of the benefits of and options for providing vegetarian and vegan meals that are nutritious and balanced to students in public schools; and post on its website a list of schools that have vegetarian and vegan menu options.

DOE REPORT:

Introduction: The 2008 summer nutrition classes were conducted at Kapiolani Community College for 34 cafeteria managers, cooks, and bakers. Menu changes include the addition of brown rice, more fresh fruits, vegetables, and whole grains. Schools serving vegetarian options are posted on the Department of Education website. (Copy attached. As of November 2008, none of the schools offered vegan meals.)

FINDINGS: None.

RECOMMENDATIONS: None.
